

MTS-GL69212/18

MAGNETIC TRACK LIGHT

PRODUCT DETAILS

Materials of Optics	PMMA
Materials of Housing	Die-cast aluminum
Driver	DALI
Dimmable	Yes
Mounting type	Track mounted
Mounting location	Ceiling/wall
Application environment	Indoor
IP Rating	IP20
Warranty	3 years

Dimming & Control: Integrated DALI driver, fully compatible with DALI systems.

Precision Control: Smooth, flicker-free dimming from 0.1% to 100% via DALI-2 protocol.

Tunable White: Adjustable CCT from 2700K to 6500K for human-centric lighting.

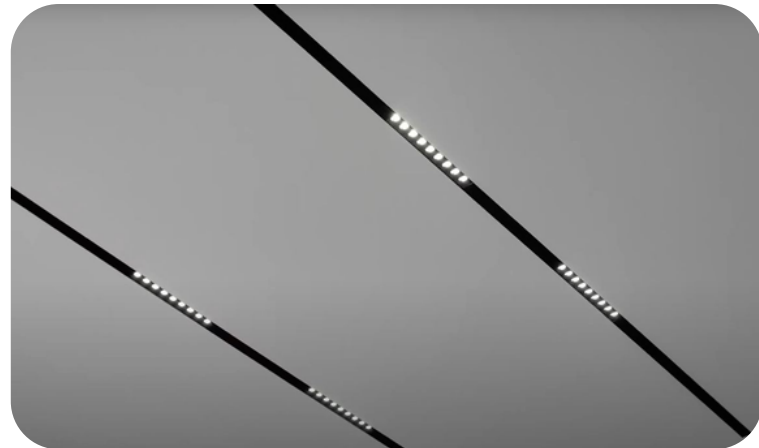

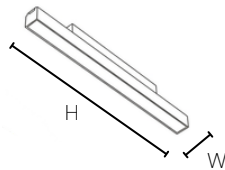

Individual Addressing: Supports independent control, grouping, and scene setting for every fixture.

Standard Compliance: Fully compatible with IEC 62386 and major DALI control systems.

INSTALLATION & ACCESSORIES

Track mounted

TECHNICAL DATA

Item No.	Power	Voltage	Color temperature	Luminous efficiency	Size
MTS-GL69212	12w	48V	2700-6500K	80lm/w	23*45*216mm
MTS-GL69218	18w	48V	2700-6500K	80lm/w	23*45*325mm
