

FL-22067

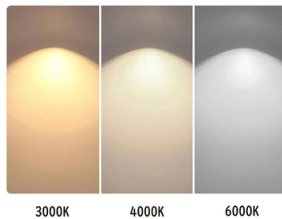

FLOOD LIGHT

PRODUCT DETAILS

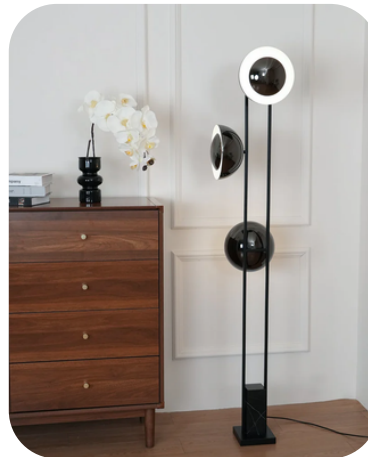

| | |
|-------------------------|---------------|
| Materials of Optics | PS |
| Materials of Housing | Iron+Aluminum |
| Mounting type | Free-standing |
| Mounting location | Ground |
| Application environment | Indoor |
| Surface color | Black & White |
| IP Rating | IP20 |
| Warranty | 2 years |

Functionalities

- Button to switch between 3000K, 4000K, and 6000K color temperatures for adjustable lighting control.

TECHNICAL DATA

| Item No. | Power | Voltage | Luminous efficacy | Color Temperature | Size |
