Lumora

LV-ST.612.320D

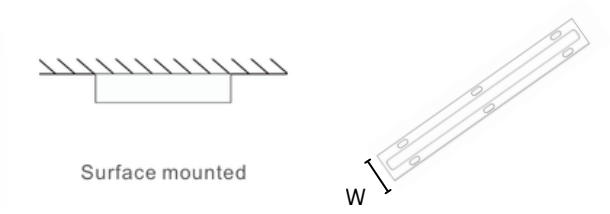

COB STRIP LIGHT

FEATURES & BENEFIT

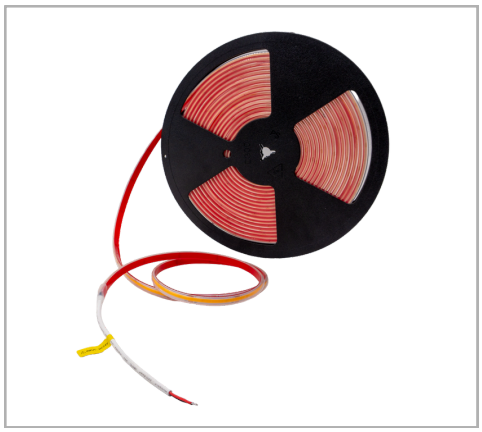

Materials of Optics	**PC**
Materials of Housing	**PC**
Mounting type	**Surface**
Mounting location	**Wall/Ceiling**
Application environment	**Indoor/Outdoor**
IP Rating	**IP65**
Warranty	**3 years**

INSTALLATION & ACCESSORIES

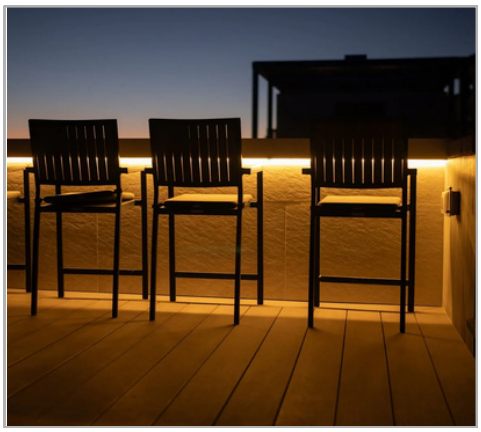

TECHNICAL DATA

Item No.	Power	Voltage	Color temperature	CRI	Lumen	Tape length
LV-ST.612.320D	4.8W/m	24V	3000K/4000K	Ra90	80lm/w	10 m/Roll

In our continuously evolving world and business environment, technical updates occur regularly. As a result, all product specifications and data are subject to change without prior notice to enhance reliability, functionality, and performance. While we make every effort to ensure the accuracy of product images and information, variations in lighting and display screens may cause differences in color appearance. Images are provided for illustration purposes and may not exactly represent the final product details. For aesthetic reasons, cables and electrical components may be omitted from images. Please refer to the technical datasheet for complete and updated specifications. Images and colors are not part of any contract or warranty.
